# The Ship

Inspired by music, its cheerful and colorful spaces are personalized by different musical notes that define the atmosphere. The secret to its beauty lies in the variety of its styles.

On board, everything is a surprise, entertainment, and emotions are constantly renewed with the Grand Prix car simulator, the spectacular outdoor deck with its glass roof and giant screen, and the theater with its exclusive technology offering the highest acoustic quality.

And the exclusive Costa Spa, with its oriental rituals and magical atmospheres, offers moments of total well-being.
